**A Letter From the Executive Director**

Dear Friends:

The snow is melting and patches of grass are beginning to materialize all around the camp and conference center. Spring 2019 is just around the corner!

As the year begins to pick up momentum, it seems an appropriate time for us to introduce our 2019 Annual Fund Campaign: John 3:16.

**For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.**

We choose this most oft-quoted Scripture because it has as its premise the ultimate sacrifice made by God on our behalf... the ultimate gift, the ultimate blessing. As God has blessed us with this extraordinary gift, we too are called to unselfishly bless and serve the world in which we live.

### Abby Holmes

*Bookkeeper and Camp Registrar*

Abby joined the

Barbara C. Harris Center in 2017 as both our Bookkeeper and Camp Registrar.

Whether you are calling the Center phone, emailing a question about camp

There is no better advocate for this concept than Presiding Bishop Michael Curry, whose invitation into the "Jesus Movement" calls upon us to follow Jesus into loving, liberating and life-giving communion with God, with God's creation and with each other. Bishop Curry even offers seven "Way of Love" practices for Jesus-centered living: turn, learn, pray, worship, bless, go, rest.

Camp and conference ministry in general, and the Barbara C. Harris Camp and Conference Center in particular, provide a physical framework for living out and experiencing this "Way of Love." Indeed, turn, learn, pray, worship, bless, go, rest is the essence of our ministry.

Providing a place where we can live as Jesus' people in this world is what the Barbara C. Harris Camp and Conference Center does best. We intentionally keep fees low to allow for widespread use of our facilities by all manner of individuals and ministries. The fees that we charge do not cover all our expenses. Our Annual Fund assists in closing the gap.

This year's campaign will be our most ambitious ever. We request your partnership to raise \$100,000 so that the Barbara C. Harris Camp and Conference Center may continue its mission and ministry.

If those of all ages who are seeking a place of respite and nurture can come to the Barbara C. Harris Camp and Conference Center and live something of Jesus' Way of Love, imagine how they might then go forth to bless and serve the world.

Your generous gift to the 2019 Annual Fund will make this possible. Visit our website and make a gift today!

Sincerely,

John Koch  
Executive Director

## What's New at the BCH Center?

### Paris Groves

The 2018 General Convention enacted a resolution that "each of the eighty-five (85) camp and conference centers in the Episcopal Church establish 'Paris Groves...to serve as visible witnesses to the significance of the Paris Accord and do the practical work of sequestration of carbon from the atmosphere." Individuals and congregations within the Episcopal Diocese of Massachusetts may embrace this resolution at the Barbara C. Harris Center by contributing funds toward the establishment of a "grove" and by participating in educational opportunities offered by the Center and the Diocese.

Of particular interest to the Center is the reintroduction of the American Elm (State tree of MA) to our forest. Dutch Elm Disease wiped out over 100 million American Elms across the nation from 1945-1975. The Liberty Tree Society of Keene, NH has developed a disease resistant American Elm that is currently for sale to the public.

Please consider making a contribution to purchase a disease resistant American Elm tree to be planted on the grounds in Greenfield, NH.
