

CAMP ACTIVITIES

We have a wide range of activities available at family camp. From arts, to sports, to nature - BCH has it all.

Our beautiful lake provides us with hours worth of canoeing, paddle boarding, kayaking, and swimming.

We have a very impressive challenge course complete with low ropes, high ropes, and a climb tower.

The arts and crafts building hosts friendship bracelet making, canvas painting, wax melting, and more.

Not to mention a fully-equipped gym and field for all the football, basketball, circle games, and more that you could imagine.
